A meeting was held for the all the HOD's regarding Swayam Excellence. Most of the Dept's were not able to identify courses relevant to the current semester. Very few dept's were able to identify courses suit able for their needs.

A consensus was reached that for the current semester Nov to March, the Swayam portal would be used for the teaching & learning process by assimilating the recorded video lectures from that base.

It was decided that enrollment of courses, certification and credit transfer will be accomplished from 2014-15.

Report of the IQAC for the academic  
18/01/18 year 2017-18

The college applied for the Swachh Bharath scheme under the National Policy of India. The verification team visited the college on 21.08.2017 and Nirmala college was one among the 9 colleges selected in Tamilnadu.

From 28.8.2017 to 29.8.2017, 3 office staff and one faculty from the Dept of Commerce attended the PEMS - EAT training session at Chennai, organised by the Ministry of Science & Technology, Technology Bhawan, New Delhi.

Two staff from the college attended the National Convention on Digital Initiatives for Higher Education by Bharathiar University on 21.11.2017.

On 24.11.2017 an orientation programme was organised for the staff on Digital Action 14 by IIT - a MARD Discipline.

On 6.12.2017 the IQAC of the college organised the Nirmala Annual Research Congress, a platform for students to present and publish their own original research work under the NARC publication with ISBN No. 61 research papers were published.

As a part of the Digital Action Plan, the Swachh Poshha Dik channel was installed in the college on 05.12.2017.

985 UG and PG students have registered under the Swachh Portal.

8136 students and staff have registered under the National Digital Library.

Progress has been made college with the National Academic Depository, Mumbai

We are very happy to say that 2100 UG and PG students have registered under the spoken tutorial and are awaiting their exams in February.

A discussion ensued in the implementation of SWAYAM for the academic year 2018-19. The members deliberated on the class to be offered enrolment for the Swayam Programme. Dr Mallik of History dept was asked to attend the workshop on "Implementation of SWAYAM in affiliated colleges of Bharathiar University". Certain drawbacks were observed such as 1) students were not able to complete the course enrolled, because most of the courses closed before the stipulated time 2) certificates were not awarded for the students completing the course.

Taking this into consideration a decision would be made for the upcoming academic year. classes to which Swayam would be allotted followed by spoken tutorials and Prime Minister's skill development programme.
