# Nirmala College for Women

(AUTONOMOUS)

ACCREDITED WITH 'A' GRADE BY NAAC IN THE 3<sup>rd</sup> CYCLE

**RED FIELDS, COIMBATORE - 641 018.**

PHONE : 2223469, 2222276, 2220888 FAX : 2223222

E-mail : nirmalacollege@rediffmail.com

Nirmala College for Women, situated in Red Fields, Coimbatore-18 is run by the Congregation of the Franciscan Sisters of the Presentation of Mary.

The College had its humble beginning as second grade College in the year 1948. The founder Msgr.Oubagaraswamy D.D., the Bishop of Coimbatore, with a missionary zeal and farsighted vision worked to contribute his mite to the tremendous task of developing Women s education in the Kongu region. He sent a proposal to the University of Madras requesting permission for the Coimbatore Diocese to start a College for women in Coimbatore. Thus Nirmala College came into being on the first of July 1948. The College has now emerged as one of the premier institutions of learning, propagating higher values of education and learning, with hopes and dreams to achieve the goal ; Knowledge Purifies, Charity Enhances.

In recognition of the high academic performance and service, the College was accredited with A Grade by NAAC in 2004. Autonomy was conferred on the college in 2007. The sustenance of quality led to its reaccreditation with 'A' Grade in 2010 and extension of autonomous status upto 2017. The college is accredited with A Grade in the 3<sup>rd</sup> Cycle with CGPA 3.62 on a 4 point scale.

## GOAL

Nirmala College for Women aims to equip young women with quality education life skills, personal skills and social skills that ensure productivity and confidence to take the rightful place in all areas of life both public and private.

## Major Facilities

- ❑ The central library has a collection of more than 60,000 books, 105 journals and 65 magazines. The Nirmala Digital Library provides to access the students.
- ❑ Nirmala Hostel, PG Hostel together can accommodate 500 students.
- ❑ There are many service centers in the campus to cater to the need of the students like Campus Ministry, Student Counselling Centre, Students Service Centre, Sports Pavilion and Gymnasium, Nirmala Health Centre, Canteen and Stationery.
- ❑ A Language Laboratory with latest facilities in multimedia facilitates the students communication skills.

## Students Co-curricular and Welfare Programmes

Students Union, N.C.C., (ARMY & NAVY), N.S.S., CHETNA Women's Cell, AICUF, Shree Nidhi, Youth Red Cross and Voluntary Blood Donation Club, Energy Club, Eco Club, Social Service League, Sneha Positive Faces, Placement Cell, Sports and Games are the Co-curricular activities in the Campus.

### Placement Cell

The Placement cell offers training programmes in career planning, resume preparation, mock interviews, group discussion, team work etc. Career opportunities are brought to the notice of the interested students. Reputed companies that recruit candidates include WIPRO, TCS, INFOSYS, FORD, KGISL & IGATE.

## CHOICE-BASED CREDIT SYSTEM

Choice- Based Credit System is a flexible system of learning introduced from the year 2008. Credit defines the quantum of contents/syllabus prescribed for the course and determines the number of hours of instruction required. The following are the distinguishing features of CBCS. it permits students to :

- ◆ Adopt an inter-disciplinary approach in learning.
- ◆ Choose Inter disciplinary papers offered by other Departments.
- ◆ Undergo additional courses and acquire more number of credits.
- ◆ Make the best use of expertise of available faculty.
- ◆ Choose skill based papers and Elective Papers.

## PROGRAMMES OFFERED

### B.A.History (Aided Stream)

#### 1. Core : History

#### 2. Allied subjects:

- |                                    |                                    |
|------------------------------------|------------------------------------|
| 1. Principles of Government        | 2. Indian Constitution             |
| 3. Computer Application in History | 4. Constitutional History of India |

#### Elective Subjects:

- |                |                           |
|----------------|---------------------------|
| 1. Archaeology | 2. Educational Technology |
|----------------|---------------------------|

#### Skill Based Subjects :

- |                          |                                 |
|--------------------------|---------------------------------|
| 1. Indian Administration | 2. Methods of Teaching History  |
| 3. Advertising           | 4. Indian Historical Literature |

**Requirement : Any group in Plus Two**

## **B.A. Economics (Aided Stream)**

### **1. Core: Economics**

### **2. Allied:**

- |  |                                       |
|--|---------------------------------------|
| 1. Rural Industrialization and Finance | 2. Environmental Economics            |
| 3. Fundamentals of Computers           | 4. Computer Applications in Economics |

### **Elective Subjects:**

- |                                  |                                |
|----------------------------------|--------------------------------|
| 1. Office Management             | 2. Entrepreneurial Development |
| 3. Agricultural Economy of India |                                |

### **Skill Based Subjects:**

- |                             |                          |
|-----------------------------|--------------------------|
| 1. Marketing Management     | 2. Export Management     |
| 3. Advertisement Management | 4. Investment Management |

**Requirement :** Any group in Plus Two

## **B.A. English Literature (Aided Stream)**

### **1. Core: English Literature**

### **2. Allied:**

- |                              |                                  |
|------------------------------|----------------------------------|
| 1. Social History of England | 2. History of English Literature |
| 3. Literary Forms            | 4. Literary Criticism            |

### **Elective Subjects:**

- |                                  |                         |
|----------------------------------|-------------------------|
| 1. Introduction to Women Studies | 2. Basics of Journalism |
|----------------------------------|-------------------------|

### **Skill Based Subjects:**

- |                             |   |
|-----------------------------|---|
| 1. Home Science             | 2. Introduction to Tourism and Hospitality Industry |
| 3. Developmental Psychology | 4. Advertising                                      |

**Requirement :** Any group in Plus Two

## **B.Sc. Mathematics (Aided Stream)**

### **1. Core: Mathematics**

### **2. Allied:**

- |                                 |                                  |
|---------------------------------|----------------------------------|
| 1. Physics Paper-I              | 2. Physics Paper-II              |
| 3. Statistics for Mathematics I | 4. Statistics for Mathematics II |

### **Elective Subjects:**

1. Operations Research
2. Optimization Techniques and its Applications

### **Skill Based Subjects :**

- |                              |                               |
|------------------------------|-------------------------------|
| 1. Quantitative Aptitude - I | 2. Quantitative Aptitude - II |
| 3. Numerical Methods - I     | 4. Numerical Methods - II     |

### **Requirement :**

1. Mathematics      2. Physics      3. Chemistry      4. Biology

## **B.Sc. Zoology (Aided Stream)**

### **1. Core: Zoology**

### **2. Allied:**

- |                |                 |
|----------------|-----------------|
| 1. Botany I    | 2. Botany II    |
| 3. Chemistry I | 4. Chemistry II |

### **Elective Subjects:**

- |                    |                                  |
|--------------------|----------------------------------|
| 1. Bio-informatics | 2. Medical Laboratory Technology |
|--------------------|----------------------------------|

### **Skill Based Subjects :**

- |                                    |                         |
|------------------------------------|-------------------------|
| 1. Introduction to Nano Technology | 2. Medical Microbiology |
| 3. Introduction of Immunology      | 4. Apiculture           |

### **Requirement :**

- |            |            |              |                |
|------------|------------|--------------|----------------|
| 1. Zoology | 2. Botany  | 3. Physics   | 4. Chemistry   |
| 1. Biology | 2. Physics | 3. Chemistry | 4. Mathematics |

## **B.Sc. Botany (Aided Stream)**

### **1.Core: Botany**

### **2.Allied:**

- |                      |                       |
|----------------------|-----------------------|
| 1. Zoology Paper I   | 2. Zoology Paper II   |
| 3. Chemistry Paper I | 4. Chemistry Paper II |

### **Elective Subjects:**

- |                                     |                          |
|-------------------------------------|--------------------------|
| 1. Bio Instrumentaion               | 2. Applied Biotechnology |
| 3. Gardening and Nursery Technology |                          |

### **Skill Based Subjects :**

- |                                    |   |
|------------------------------------|---|
| 1. Herbal Products & Beauty Care   | 2. Home Gardening for Health & Beauty                   |
| 3. Bioresource and its Utilization | 4. Processing and Preservation of Fruits and Vegetables |

### **Requirement :**

- |            |            |              |                |
|------------|------------|--------------|----------------|
| 1. Botany  | 2. Zoology | 3. Physics   | 4. Chemistry   |
| 1. Biology | 2. Physics | 3. Chemistry | 4. Mathematics |

## **B.Sc. Chemistry (Aided Stream)**

### **1.Core: Chemistry**

### **2.Allied:**

- |                         |                         |
|-------------------------|-------------------------|
| 1. Physics Paper- I     | 2. Physics Paper- II    |
| 3. Mathematics Paper -I | 4. Mathematics Paper II |

### **Elective Subjects:**

- |                              |            |
|------------------------------|------------|
| 1. Basics of Cheminformatics | 2. Project |
|------------------------------|------------|

### **Skill Based Subjects :**

- |                      |                             |
|----------------------|-----------------------------|
| 1. Dye Chemistry     | 2. Pharmaceutical Chemistry |
| 3. Polymer Chemistry | 4. Applied Chemistry        |

### **Requirement :**

- |             |                |            |            |
|-------------|----------------|------------|------------|
| 1.Chemistry | 2. Mathematics | 3. Physics | 4. Biology |
|-------------|----------------|------------|------------|

## **B.Sc. Geography (Aided Stream)**

### **1. Core: Geography**

### **2. Allied:**

- |                               |  |
|-------------------------------|--|
| 1. Statistics for Geography I | 2. Statistics for Geography II             |
| 3. Elements of Cartography    | 4. Cartographic Methods & Map Reproduction |

### **Elective Subjects:**

- |                  |                                    |
|------------------|------------------------------------|
| 1. Bio-Geography | 2. Regional Geography of S.E. Asia |
|------------------|------------------------------------|

### **Skill Based Subjects :**

- |                                       |                           |
|---------------------------------------|---------------------------|
| 1. General Geography                  | 2. Geography through Maps |
| 3. Geography and the Great Travellers | 4. Teaching Project       |

**Requirement : Any group in Plus Two**

## **B.Com (Aided Stream)**

### **1. Core: Commerce**

### **2. Allied:**

- |                         |                        |
|-------------------------|------------------------|
| 1. Indian Economy       | 2. Business Economics  |
| 3. Business Mathematics | 4. Business Statistics |

### **Elective Subjects:**

- |                           |               |
|---------------------------|---------------|
| 1. Principles of Taxation | 2. Income Tax |
| 3. Indirect Taxes         |               |

### **Skill Based Subjects :**

1. Incentives and Subsidies to Entrepreneurs
2. Introduction to Entrepreneurial Development
3. Project Management
4. Institutional Finance to Entrepreneurs

### **Requirement :**

- |                              |                               |
|------------------------------|-------------------------------|
| 1. Commerce                  | 2. Accountancy                |
| 3. Business Maths/Statistics | 4. Computer Science/Economics |

## **B.Sc. Computer Science (Self Financing Stream)**

### **1. Core: Computer Science**

### **2. Allied:**

- |   |                         |
|---|-------------------------|
| 1. Computer Oriented Numerical Methods and Statistics | 2. Discrete Mathematics |
| 3. Operation Research                                 | 4. Business Accounting  |

### **Elective Subjects:**

- |                   |   |
|-------------------|---|
| 1. Cyber Security | 2. Relational Database Management System Tool |
|-------------------|---|

### **Skill Based Subjects :**

- |   |                              |
|---|------------------------------|
| 1. Computer Hardware and assembly language programming. | 2. DTP and Web Designing Lab |
| 3. Advanced Java Programming Lab.                       | 4. PHP Programming Lab       |

### **Requirement :**

- |                     |                      |            |                |
|---------------------|----------------------|------------|----------------|
| 1. Computer Science | 2. Economics         | 3.Commerce | 4. Accountancy |
| 1. Computer Science | 2. Maths /Statistics | 3. Physics | 4. Chemistry   |

## **B.C.A (Self Financing Stream)**

### **1. Core: Computer Application**

### **2. Allied:**

- |  |  |
|--|--|
| 1.Computer oriented Numerical methods and statistics | 2.Computer based optimization techniques |
| 3. Financial & Management Accounting                 | 4. Marketing Management                  |

### **Elective Subjects:**

- |               |                   |
|---------------|-------------------|
| 1.Data Mining | 2. Cyber Security |
|---------------|-------------------|

### **Skill Based Subjects :**

1. Computer Hardware and assembly Language Programming
2. DTP and Web Designing Lab
3. Advanced Java Programming Lab.
4. PHP Programming Lab

### **Requirement :**

- |                     |                     |            |                |
|---------------------|---------------------|------------|----------------|
| 1. Computer Science | 2. Economics        | 3.Commerce | 4. Accountancy |
| 1. Computer Science | 2.Maths /Statistics | 3.Physics  | 4. Chemistry   |

## **B.Sc.IT (Self Financing Stream)**

### **1.Core : Computer Application**

### **2.Allied :**

1. Computer oriented Numerical Methods and Statistics
2. Resource Management Techniques
3. Microprocessor and Assembly Language Programming
4. Embedded System

### **Elective Subjects:**

1. Data Mining
2. Relational Database Management System Tool
3. Cyber Security

### **Skill Based Subjects :**

1. Computer Hardware and assembly Language Programming
2. DTP and Web Designing Lab
3. Advanced Java Programming Lab.
4. PHP Programming Lab

### **Requirement :**

- |                     |                      |             |                |
|---------------------|----------------------|-------------|----------------|
| 1. Computer Science | 2. Economics         | 3. Commerce | 4. Accountancy |
| 1. Computer Science | 2. Maths /Statistics | 3. Physics  | 4. Chemistry   |

## **B.Sc. Mathematics (Self Financing Stream)**

### **1.Core: Mathematics**

### **2.Allied:**

- |                                 |                                  |
|---------------------------------|----------------------------------|
| 1. Physics Paper-I              | 2. Physics Paper-II              |
| 3. Statistics for Mathematics I | 4. Statistics for Mathematics II |

### **Elective Subjects:**

1. Operations Research
2. Optimization Techniques And its Applications

### **Skill Based Subjects :**

- |                              |                               |
|------------------------------|-------------------------------|
| 1. Quantitative Aptitude - I | 2. Quantitative Aptitude - II |
| 3. Numerical Methods - I     | 4. Numerical Methods - II     |

### **Requirement :**

- |                |            |              |            |
|----------------|------------|--------------|------------|
| 1. Mathematics | 2. Physics | 3. Chemistry | 4. Biology |
|----------------|------------|--------------|------------|

## **B.Com C.A (Self Financing Stream)**

### **1.Core: Commerce**

### **2.Allied:**

- |                         |                       |
|-------------------------|-----------------------|
| 1. Business Mathematics | 2. Business Economics |
| 3. Business Statistics  | 4. Public Finance     |

- |               |               |                             |
|---------------|---------------|-----------------------------|
| 1. E-Commerce | 2. Income Tax | 3. Internet & Web Designing |
|---------------|---------------|-----------------------------|

### **Skill Based Subjects :**

- |   |                 |
|---|-----------------|
| 1. Life Insurance Principles and Practice | 2. Business Law |
| 3. Practical Income Tax                   | 4. Soft Skills  |

### **Requirement :**

- |   |                               |
|---|-------------------------------|
| 1.Commerce                                | 2. Accountancy                |
| 3.Mathematics / Business Maths/Statistics | 4. Computer Science/Economics |

## **B.Com (PA) - Self Financing Stream**

### **1.Core : Commerce**

### **2.Allied :**

- |                                  |   |
|----------------------------------|---|
| 1. Business Mathematics          | 2. Business Statistics                      |
| 3. Practical : Office Automation | 4. Practical : Computerized Account (Tally) |

### **Elective Subjects:**

- |                         |                      |
|-------------------------|----------------------|
| 1. Strategic Management | 2. Indirect Taxation |
|-------------------------|----------------------|

### **Skill Based Subjects:**

- |                             |                            |
|-----------------------------|----------------------------|
| 1. Accounting Standards III | 2. Accounting Standards II |
| 3. Accounting Standards I   | 4. Business Ethics         |

### **Requirement :**

- |                                 |                |  |
|---------------------------------|----------------|--|
| 1. Commerce                     | 2. Accountancy | 3. Mathematics / Business Mathematics / Statistics |
| 4. Computer Science / Economics |                |  |

Syllabi for the course is framed in such a way that the students pursuing B.Com (PA) can do Chartered Accountancy Professional course without much difficulty. It would be possible for the students to pursue both B.Com (PA) and Chartered Accountancy Course simultaneously in case they get through CPT (Common Proficiency Test - An Entry Level Test)

## **B.B.A (Self Financing Stream)**

### **1.Core: Business Management**

### **2.Allied:**

- |                                 |                                  |
|---------------------------------|----------------------------------|
| 1. Mathematics for Management 1 | 2. Mathematics for Management 1I |
| 3. Theories of Taxation         | 4. Management Information System |

### **Elective Subjects:**

- |                                    |                 |

| 1. Introduction to Women Studies | 2. Basics of Journalism |
|----------------------------------|-------------------------|

### **Skill Based :**

- |                             |   |
|-----------------------------|---|
| 1. Home Science             | 2. Introduction to Tourism and Hospitality Industry |
| 3. Developmental Psychology | 4. Advertising                                      |

Requirement : Any group in Plus Two

## **B.Sc. Physics (Self Financing Stream)**

### **1. Core: Physics**

### **2. Allied :**

- |                            |                           |
|----------------------------|---------------------------|
| 1. Mathematics Paper - I   | 2. Mathematics Paper - II |
| 3. Chemistry Paper - I     | 4. Chemistry Paper - II   |
| 5. Chemistry Practical - I |                           |

### **Elective Subjects :**

1. Digital Electronics
2. Computer Programming - C

### **Skill Based Subjects**

1. Biomedical Instrumentation
2. Home Appliances - Working, Trouble Shooting and Maintenance
3. Energy Physics
4. Fibre Optics

### **Requirement**

- |            |                |              |                     |
|------------|----------------|--------------|---------------------|
| 1. Physics | 2. Mathematics | 3. Chemistry | 4. Biology          |
| 1. Physics | 2. Mathematics | 3. Chemistry | 4. Computer Science |

## **M.Sc. Bioinformatics**

### **Eligibility :**

B.Sc., any branch of life science Botany, Zoology, Microbiology, Biotechnology, Biochemistry & Bioinformatics, B.Sc., in Chemistry or Information Technology with biology at +2 level.

<b>P.G. PROGRAMME</b>	<b>REQUIREMENT</b>
M.A. History (Aided)	B.A. History
M.A. English (Self-Financing)	B.A. English
M.Sc. Mathematics - (Aided)	B.Sc. Mathematics
M.Sc. Chemistry - (Self-Financing)	B.Sc. Chemistry
M.Sc. Botany - (Self-Financing)	B.Sc. Botany / Plant Botany & Bio-Technology
M.Sc. Zoology - (Self-Financing)	B.Sc. Zoology/ Advanced Zoology & Biotechnology
M.Sc. Geography - (Self-Financing)	B.Sc. Geography
M.Com - (Self-Financing)	B.Com. B.Com C.A.
M.Sc. Computer Science - (Self-Financing)	B.Sc. Computer Science BCA. B.Sc. (IT, CT)

<b>Research Programmes M.Phil &amp; Ph.D (Part Time / Full Time)</b>	<b>ARTS</b>	<b>SCIENCE</b>
	Tamil History English Commerce	Mathematics Chemistry Botany Zoology Geography

**Skill based Elective subjects**

<b>S.No.</b>	<b>Department</b>	<b>Subjects</b>
1	History	History for Competitive Exams
2	Economics	Economics for Competitive Exams
3	English Literature	Basics for Home Management
4	Mathematics	Computational Mathematics
5	Botany	Home Gardening for Health and Beauty
6	Chemistry	Food Science & Technology
7	Zoology	Women and Reproductive Health
8	Geography	Geo Informatics
9	B.Com (Aided)	General Commercial Knowledge
10	B.Com CA	Business Organisation
11	B.Com (PA)	Principles of Marketing
12	BBA	Investment Avenues in India
13	Computer Science	Web Designing Using HTML
14	Mathematics SF	Computational Mathematics

## Major Elective Subjects
